### Red Morton Regulars of 2013

Still Young at heart these pals of ours, with battered bodies and newer cars, hiding within the child of old, not so spry and not so bold.

Norm

Ralph

Just last year George, Andy, and Don moved from the iron bench to the Great Beyond. Don gave his last speech and packed up his gear.

Dean

Terry

Twelve of us are 80 plus: Aram, Lloyd, Con, Jack, two Joe's, Ken, Kei, Mike, Steve and two Gus's. Half still play tennis and give hope to the rest of us.

Mike

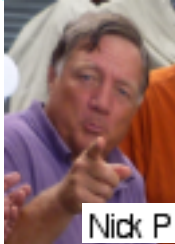

Keith

Happy 85th to Jack TODAY, and THIS MONTH to Bob, Shawn, Vince, 'n Bill. and to gutsy Gus Hassapakis who turns 81 without much fuss.

Kei

Nick P

And kudos to Lloyd at 89, Con at 94, and Cursing Joe at 83 while the rest of us still hit and holler and often leave the courts to pee.

Rick

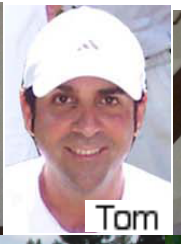

And welcome back to Rick and me, a new odd couple linked by our infirmities, we missed you crazy guys more than we ever realized. - Joe Barile, 1/15/2013
